

DR. MIRIAM SASSE

Coach & Consultant on Agile, Resilience,
and Transformation, Germany

I AM SPEAKING AT:

2021 | IPMA GLOBAL
BEST PRACTICE WEEK
ONLINE EVENT

April 26th | 2:30 pm CEST / UTC+2

After studying industrial engineering and psychology, Dr. Miriam Sasse focused on the self-optimization of project teams and work processes. She is currently working as an agile coach and transformation consultant at Bertelsmann SE & Co. KGaA / Arvato Systems. She is a certified business coach and alternative practitioner for psychotherapy. Miriam has already accompanied teams from the fields of plant and mechanical engineering, automotive engineering, civil engineering, electronics, IT services and research in the implementation of projects. She focuses on making psychological perspectives and techniques understandable and applicable for engineers and computer scientists. Areas of application are resilience, crisis and change management - in classic projects, agile teams and transformations.
