Management, City of Cape Town, South Africa**

I AM SPEAKING AT:

**2021 | IPMA GLOBAL
BEST PRACTICE WEEK**
ONLINE EVENT

April **27th** | **11:00** am CEST / UTC+2

I am a Professional Registered (Pr. Eng) Industrial Engineer, Professional Registered Construction Project Manager with an Industrial Engineering Honors Degree, Project Management Professional (PMP) Certification and Master Degree in Business Administration. I achieved the highest status of Gold Winner in the International Project Management Association (IPMA) Achievement Award as Young Project Manager of the Year in 2016. With this achievement, I proved myself that with my unique project management approach, I am in the “Top League” and a master of my craft.

I gained a lot of experience as an engineer and project manager and was appointed as Programme Manager for the Cape Town Water Resilience Programme and won Bronze for the IPMA Project Excellence awards 2019. My background exemplifies a track record of success and I am continuously improving my managerial expertise and skill within the corporate project, programme and portfolio fields with an overarching transversal management and strategic outlook. As the Director of the City of Cape Town’s Corporate Project Management Office, I like new challenges and believe that life is journey, and I need to enjoy the ride. I am also an active member at the South African Institute of Industrial Engineering and Project Management Institute.

My Hobbies include all kinds of sport that range from rugby, cricket, swimming, biking to golf. I am an enthusiastic supporter of almost any kind of sport. I believe in the motto “If you can dream it, you can achieve it”.
