

## FRÉDÉRIC D'ARRENTIÈRES

Expert Leader in Project Management, Renault-Nissan-Mitsubishi, France

# I AM SPEAKING AT:

2021 | IPMA GLOBAL  
BEST PRACTICE WEEK  
ONLINE EVENT

April 29<sup>th</sup> | 2:30 pm CEST / UTC+2

**Bio:** 30 years' experience in complex automotive projects, in different international context (Europe, South Korea, Brazil, China, Turkey) and at various level.

Automotive engineering & project management are the key words of Frédéric d'Arrentières career path.

Now in charge of a strategic area of expertise aiming to prepare the future of project management within Renault group, he is IMPA level A certified and president of SMAP (IPMA MA in France).

**Abstract:** The automotive world has been conducting profound changes for many years: zero emissions, new mobility paradigm, regulation reinforcement, technological change, competitiveness... facing so many challenges our companies were not particularly prepared to face the pandemic impact. In this context, this workshop will come back to resilience factors and some lessons learned from guiding our project teams in the storm.
